DigiPen Institute of Technology

Sep 2019 – Apr 2023

Projects

Adaptation of Characters, Mythology, and History
DigiPen Institute of Technology

Apr 2025 – Present

- Answering the question of how characters are adapted through different times and cultures and the responsibility of the entertainment industry to portray repeatedly adapted characters genuinely
- Creating four models of Dionysus from different eras to explore these themes

Animator/Concept Artist, *The Little Rat*
Pipeline Pilots, DigiPen Institute of Technology

Sep 2021 – Jan 2023

- Collaborated with a team of nine to make the animated film
- Platform tested Toon Boom Harmony as an animation software
- Created Style Guide for the film and added updates using Google Slides
- Collaborated with the story/environment lead on animation planning and the color script
- Helped animate the proof-of-concept shots, which decided how much rigging to use in the character animation
- Animated the rough and the render on assigned shots and rendered other animators' shots

Professional Experience

Student TA/Tutor
DigiPen Institute of Technology

May 2025 – Present

- Assist the professors and students on projects and assist with teaching new programs
- Tutor BFAs and other students in the Academic Support Lab, help with art projects and essays, give guidance on various programs, and advise on portfolio work, while keeping track and reporting each session

Contract Artist
Spaceworks Tacoma

Jan 2024 – May 2024

- Created two rapid murals for Northwest Sinfonietta's *Pictures at an Exhibition* at the Rialto Theater
- Researched the aforementioned musical composition and the history of the creators
- Illustrated two pieces of the composition: *The Catacombs in Paris* and *The Great Gate of Kiev* to complement the music with CLIP STUDIO PAINT
- Created ten paintings to be sold at Spaceworks Tacoma's Cachet auction with the theme of "Downtown Tacoma"
- Decided on my interpretation of the theme and researched the downtown Tacoma area
- Used acrylic and glow-in-the-dark paint on 6x6 canvases

Awards

2023 The Rookie Awards: Excellence Award and The People's Choice Award
2023 Imaginary Mind: Best Short Student Film
